Re: Monter Hernandez v. 99 Thai Playground LLC, et al.:  
Case No. 19-cv-01257-ALC

Dear Judge Netburn:

This office represents the plaintiff in the above-captioned case. Plaintiff writes to request an extension of 14 days in which to file his Motion for Judgment in Default. The reasons for this request is an unexpected technological issue which has prevented the Plaintiff from executing his Declaration in Support of Motion for Judgment in Default. We thus request this brief extension in order to rectify the problem and thus gather the necessary documentation needed to file. This is the first request of this nature. As the remaining defendants are in default, it is made without their input.

We thank the court for its time and attention to this matter.

Respectfully,
